5. APPROVALS:

A. Approval of the Acquisition of Building 1010 Located at 1050 Roger Williams Way:

Mr. King reviewed the approval transaction with the Board of Directors explaining the Corporation is asking to accelerate the previously approved 2011 “Lease to Acquire” agreement with EBA, LLC for the property located at 1050 Roger Williams Way. The Corporation initially entered into a seven (7) year lease with EBA, LLC for the building with the intention of subleasing the building to another tenant but that lease ended up being delayed a few years. The Corporation is now about to enter into a long term lease with that tenant and is proposing to pay the outstanding balance on the building of four hundred twenty seven thousand and seventy five dollars (\$427,075.00) so that title may be transferred to the Corporation early and simplify the lease process. Mr. King explained the Corporation proposes to acquire the property and pay the purchase price in installments.

Mr. Batty passed out an amended vote for the transaction that added the words, “or other collateral acceptable to EBA, LLC”. Mr. King explained to finance the recent dredging project, the Corporation assigned leases and rents to the bank securing the EDC bond for that project. The wording in the vote was adjusted to add flexibility on the collateral.

Mr. Berson asked if this transaction would have any effect on any other current projects involving Mr. Carr as he had been a partner in EBA, LLC. Mr. King said there would be no effect.

Upon motion duly made by Mr. Berson and seconded by Mr. Asadorian, the Board:
